FUTURE INNS MONCTON HOTEL AND CONFERENCE CENTRE

CREATES NEW CONCEPT "PINK ROOM" IN SUPPORT OF THE CANADIAN BREAST CANCER FOUNDATION-ATLANTIC CHAPTER

Moncton, New Brunswick (February 12, 2008) – Future Inns Moncton introduces a new "Pink Room" with a portion of the daily room revenue going to the Atlantic Chapter of the Canadian Breast Cancer Foundation. Tastefully decorated by local Interior designer Erica Lantz, the room will enliven the senses, with women-centric amenities, breast cancer awareness information, luxurious bedding and more. "Women love staying at the Future Inns Moncton" We provide great service, and now with our Pink room, women can have all of the comforts of home and at the same time, give back to the community without lifting a finger. said Sandra Gavin , Operations Manager.

We are all time-deprived and if we can help women mark one more thing off their to-do list by donating part of their stay to breast cancer research, then we all win," added Sandra Gavin,. Our entire staff helped make this room happen and we are very proud of their efforts. The month of October is Breast Cancer Awareness month, however we hope to bring awareness three hundred and sixty five days a year and present the Canadian Breast Cancer Society with a sizable donation each year! says Louis Wilby, the Future Inns Moncton General Manager.

The 130 room hotel is located next to the Trinity Drive Shopping District and is directly off the Mapleton Road exit 454 from the Trans Canada Highway, for easy access from both eastern and western parts of the province. Some of the current offerings that business travelers enjoy at Future Inns Moncton include: A 100% smoke free environment, an Executive Floor, complimentary wireless and hard wired high-speed internet access throughout the hotel, and over 9000 square feet of meeting and events space. Future Inns Moncton is also the home of MAVERICK'S Steakhouse and Grill.
